*Dear Parents/Carers,*

*Welcome to Year 4!*

*We are all settling in well together and a wide variety of subjects have already been started, currently there are some exciting science experiments underway, the world of water is being explored and we are starting to use a lot of Spanish in our everyday classroom life!*

*Just to remind everyone P.E. is currently on Monday and Thursdays, however, it is subject to change throughout the year, especially when we go swimming. Please can pupils have their full kit as described in our uniform policy. Long hair needs to be up and ear piercings can be taken out or covered up with plasters/medical tape brought inform home please.*

*Spelling homework goes out on a Monday and needs to be completed and returned on Friday. If pupils feel they cannot fit it into their evenings, there is the opportunity to attend Homework Club on a Monday lunchtime to help with this. IT Rockstars needs to be 10 mins a night, as we prepare for the Year 4 Multiplication Check (MTC) in June as well as regular reading and book chat. Please can books be brought in each day so that we can hear readers as often as possible.*

*I am really looking forward to working together this year. As I mentioned on our open evening, please contact me through the email below, but feel free to let me know it's there if I don't respond within a couple of days as we have had issues occasionally! Hopefully now resolved. Or messages can be passed on through the staff at the door on a morning and I will get back to you as soon as I can.*

*Thank you for all of your support*

*AL Crann*
