Top 4 reasons to use Studybugs

1. It's integrated with our systems so we know right away if your child is unaccounted for.
2. It's quick and easy to register and use and automatically reminds you to keep us posted.
3. You Don't have to phone school to report your child's absence, you simply send a message via the app as soon as you know that your child won't be in school.
4. You'll be helping the NHS and other public health organisations improve children's health.
