

## A uniform recycling project by Midstream

Dear Parent/Guardian

I would like to introduce Midstream's school uniform recycling enterprise '**Re-Uniform**'.

It is intended that Midstream students will collect your pre-loved school uniforms that have been outgrown and launder them so that they can be re-used by someone else. Read on to find out how you can take part in this exciting project, reduce wastage and save a few pounds!

When you find that you have unwanted uniform that is still fit to be worn, please put this into a bag and into the new designated drop-off point in the school foyer. Midstream students will regularly collect donated uniforms, launder and quality check them. We will then redistribute uniform that is in good condition for a small charge. We will only be able to accept uniform that follows the school uniform policy. Any uniform that cannot be reused will be recycled.

**Re-Uniform** is now open for your donations. As soon as we have received enough donations we will be ready to take orders. We will let you know about this via the Brookfield Park Facebook page and Newsletter.

If you would like to order uniform (please see the price list for a full list of items), requests can be made either over the phone on 01695 555316 or by email on [re-uniform@midstream.org.uk](mailto:re-uniform@midstream.org.uk) There will also be a form available from school reception that you can complete and then return to school.
