

Geography Long Term Plan

Revised September 2026

Statement of Intent for Geography:

Our high-quality Geography education at Brookfield Park aims to inspire pupil's curiosity, fascination and knowledge of their locality, their wider world and its people, that will remain with them for the rest of their lives. Helping them to build their own identity and their sense of place.

WE WANT OUR PUPILS TO: -

- develop a positive and confident attitude towards Geography.
- become fluent in the fundamentals of Geography, and to be committed to achieve the highest possible standards in Geography
- develop curiosity and fascination in the world around them and focus to build, retain and apply key knowledge and skills, with increasing fluency and independence;
- develop their ability to recall and apply their geographical knowledge and skills
- show tolerance and respect for all differences and diversity in our school, neighbourhood and the wider world, whilst understanding their impact on those
- develop a personal sense of awe and wonder of their world and increase the opportunities to explore the vast world around them by engaging in the questions and seeking answers

Key areas to focus on ...

- Mapping
- Local area/their surroundings
- Comparing places
