Dear parents

Welcome to our Summer term and hopefully we will see a lot of lovely weather.....finally. I have re-sent the information sheet with some alterations which may apply to this term.

Just a few reminders please. The school uniform policy is being on the whole followed superbly, particularly in our class but can we keep it up please? Reading: Also just a quick reminder. Reading opens up the world to children so for just ten minutes per night with you will make all the

difference to your child. Your child will, this term come home with a little homework sheet each week. Please encourage your child to give it a go. Also we will be giving out weekly spellings. Tested on a Friday and given out on Friday following. Again I would be grateful if you could make sure they are prepared for this as it will give them that wonderful sense of achievement.

Thank you so much for your continued support
